FOR IMMEDIATE RELEASE

Murray Supply Kitchen and Bath Showroom participates
in HBA Home and Garden Show

Murray Supply Company Kitchen and Bath Showroom kitchen and bath showroom, participated in the Triad Home and Garden Show at the Benton Convention Center in Winston-Salem. This three day event held from February 19th through the 21st of 2010 was sponsored by the Home Builders Association in Winston-Salem, N.C.

The Triad Home and Garden Show featured vendors and builders who showcased exhibits and participated in seminars focused on giving the consumer a better understanding of the available home and garden products in today's marketplace.

Murray Supply Company displayed a variety of products in the 40 foot booth space at the show, which included an American Standard flushing station, Aqueous faucets, Hansgrohe faucets, Sigma Designer faucets, AO Smith water heaters, Wellborn cabinets and many other items from a number of high quality vendors.

Murray Supply Company is a family owned and operated company that is based out of Winston-Salem, North Carolina. The company is engaged in the wholesale distribution of residential and commercial plumbing products, industrial and commercial piping, MRO products, as well as kitchen and bath fixtures. Murray Supply Company serves their customers from six branch locations and one showroom in North Carolina. For more information please visit www.murraysupply.com.
